

Privacy Policy

This Privacy Policy is established in accordance with the **State of Israel Privacy Protection Law, 1981** and the **Information Security Regulations, 2017**.

Database Definitions

1. The database is maintained for the purpose of documenting communications with customers and companies.
2. Information collected includes:
 - **Public information**
 - **Private information**, such as written and verbal correspondence, telephone numbers, addresses, and internal commercial data

Transfer of Information to Third Parties

- No information is transferred to any third party.

Security Measures

1. The database is protected by passwords and access permissions, with two layers of security.
2. The database is segregated from computers used for other purposes.
3. The database is managed by **ACT**, a company specializing in CRM.
